

Cooking In Season: Seasonal Recipes for Eating Close to Home, Easy and Delicious

Cooking In Season: Seasonal Recipes for Eating Close to Home, Easy and Delicious

If you're looking for a cookbook that will help you eat closer to home and enjoy the freshest, most flavorful produce, then look no further than Cooking In Season. This cookbook is filled with a variety of recipes for every season of the year. Divided into four parts (Spring, Summer, Fall, and Winter) the chapters cover a variety of dishes, including some international flair. The recipes are easy to follow and will appeal to cooks of all levels.

Spring

Spring is a time of renewal and growth, and the produce that's available reflects that. This section of the cookbook is filled with recipes that highlight the fresh, vibrant flavors of spring. From asparagus and peas to strawberries and rhubarb, there's something for everyone to enjoy.

Easy and Delicious

All of the recipes in Cooking In Season are easy to follow and will appeal to cooks of all levels. The ingredients are readily available and the instructions are clear and concise. Even if you're a beginner in the kitchen, you'll be able to create delicious meals with this cookbook.

Eating Close to Home

Eating close to home is a great way to reduce your carbon footprint and support your local farmers. When you eat seasonal produce, you're eating

food that's been grown locally and hasn't been shipped long distances. This means that it's fresher and more nutritious than produce that's been shipped from far away.

Cooking In Season is a great way to learn more about seasonal produce and how to cook it. With a variety of recipes to choose from, you'll be able to enjoy the freshest, most flavorful produce all year long.
