Selecting the Perfect Teas

The foundation of any afternoon tea party is the tea itself. Choose a variety of teas to suit the tastes of your guests, including black teas, green teas, and herbal infusions.

- **Black teas:** These teas are made from fully oxidized leaves and have a strong, robust flavor. Popular black teas include English Breakfast,

Earl Grey, and Darjeeling.

- **Green teas:** These teas are made from unoxidized leaves and have a more delicate, herbaceous flavor. Popular green teas include Sencha, Matcha, and Jasmine Green Tea.
- **Herbal infusions:** These teas are made from dried herbs and flowers and are caffeine-free. Popular herbal infusions include chamomile, lavender, and peppermint.

Delightful Tea Treats

No afternoon tea party is complete without a selection of delectable treats. From savory sandwiches to sweet pastries, there's something for everyone to enjoy.

- **Savory sandwiches:** These sandwiches are typically made with thinly sliced bread and filled with a variety of savory ingredients, such as cucumber, ham, or cheese.
- **Scones:** These light and fluffy pastries are a classic afternoon tea treat. They can be served plain or with clotted cream and jam.
- **Cakes:** A variety of cakes can be served at an afternoon tea party, such as Victoria sponge cake, carrot cake, or chocolate cake.
- **Pastries:** Small pastries, such as éclairs, macarons, and croissants, are a delightful addition to any afternoon tea party.
