Written by Dr. Habib Sadeghi, a world-renowned expert in energy medicine, this book is a comprehensive guide to the history, science, and practice of energy healing. Dr. Sadeghi draws on his own extensive experience as a healer and teacher to provide a clear and concise overview of the field.

The book begins by exploring the history of energy healing, from its ancient roots to its modern-day revival. Dr. Sadeghi then examines the scientific evidence for the existence of energy healing, including studies that have shown that energy healing can improve pain, reduce stress, and boost the immune system.

In addition to the scientific evidence, Dr. Sadeghi also explores the spiritual dimension of energy healing. He argues that energy healing is a powerful tool for spiritual growth and transformation.

The Mystery of Energy Medicine Explained Through Science and Scripture is a must-read for anyone who is interested in energy healing. This book will change the way you think about health and healing, and will provide you with the tools you need to unlock your own healing potential.
